

Two for One Offer

5 to Give Away

We really don't want anyone to miss out on the upcoming CCAV Conference, so we are giving out Five Two for One Offers.

If your Cemetery hasn't been to a CCAV Conference before, grab your fellow Cemetery Volunteer and come along!

It only comes once in a year, and would you really want to miss it?

It's always better when you can share the experience as we have so much to offer.

Some of the topics we will be covering:

Cyber Security – Reduce the risk.

Managing conflict around the Trust/Board table

Compassionate Gardens relating to cemeteries and inclusion for all.

Environment and Sustainability – from little things big things grow

The Australian Good Death Study

Land acquisition and Vegetation and other overlays

Social Media Hints & Tips

There are tours of local cemeteries Class A & B's looking at development of new areas, sustainability, memorialisation, heritage walks and QR technology.

The suppliers will be showcasing their new products, be there to answer any questions and demonstrate how they can work with you and your cemetery. These include memorialisation, gardening equipment, digital records keeping, GPS location and mapping of graves, training information on grave safety and governance and much more.

With a dinner to be held at Sovereign Hill, enjoying each other's company, networking and meeting cemeteries and their Trusts over local food and some local music.

Please send through your details to the Committee of Management by the 4.00pm Friday 17th February 2023 via email to: executiveofficer@ccav.org.au to be considered and we look forward to welcoming you to the Conference in March.
