

Welcome to 2026, CCAV Members

We look forward to working with you throughout the year as we continue to support and advocate for our members.

In 2025 we introduced our "In Conversation – Face to Face" sessions, and we're pleased to continue these in 2026.

Our first session will be held in Bendigo in February, with additional sessions scheduled across the year.

Our "In Conversation – Online" initiative will also continue, with Part 2 of our fees session taking place in February.

Don't forget—our Torquay Conference is just around the corner in March. If you haven't registered yet, please do so soon as registrations and accommodation are filling quickly. We're also hoping to make some additional announcements at the conference, so it's definitely worth attending.

As always, CCAV is here for its members. If you need advice or assistance, please reach out.

Rob

WHAT A START TO 2026!

With the extreme weather experienced last week, and further events forecast in the coming weeks, cemetery and crematoria trusts and their staff are likely to continue facing significant operational and personal challenges.

Heatwaves, bushfires and other emergency events place added pressure on day-to-day operations, while also affecting the wellbeing of staff and volunteers. Planning, preparedness and access to appropriate support services are essential to maintaining safety, continuity of operations and staff wellbeing during these periods.

We have developed a checklist for fire danger and guidelines for storm events. Also included on the checklist is a generic A4 Poster if required.

BushFire Safety Guidelines and Checklist

Storm Guidelines

CHEQUES

Late in 2024 the Commonwealth Government announced the Closure of Australia's cheque system on 30 September 2029.

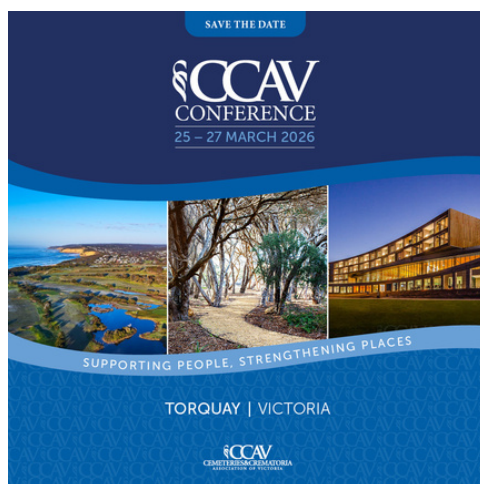

All impacted Victorian legislations and regulations will be amended to remove reference to cheques as the only payment method by 30 June 2026.

In readiness for these changes that will impact cemetery trusts using and issuing cheques, it is a timely reminder to consider the transition to electronic banking system.

2026 CCAV Conference

Topics to be covered in the program include

- Mental Health
- Cemetery tours
- Rabbits in Cemeteries
- Department of Health
- Presentation from Australian Facility for Taphonomic Experimental Research - AFTER
- 12 steps to HR Best Practises
